DACP Funding Applicants Equalities Impact 2021-22

The DACP perform due diligence checks through their application form. This is to promote equal opportunities and the applicant's duty of care to their service users. The application form asks for certain criteria to ensure that the group are supportive of the values and objectives of both the DACP and Derby Homes. This includes high level information about the group, and any policies or procedures they have in place to ensure equality and fairness. The below outlines this data for all approved applications in 2021/22, and information concerning their service-user group.
