He asked if there is a possibility of allowing older tenants who will be moving from larger to smaller properties to be given a decoration service as older tenants tend to leave their properties in excellent condition. The Director of Housing and Customer Service replied that she will look at further incentive options for older tenants who are downsizing, for example, internal decoration of smaller accommodation and include this in the next City Board report.

Mike Ainsley, Chair of Governance Services Committee, provided highlights of the meeting held on 13 September 2012.

With reference to the proposed changes to the Memorandum and Articles of Association, he advised the Committee has recommended the appointment of the Chair of the Board should revert back to the first meeting after the AGM in November and not the first meeting of the calendar year as previously agreed.

The Committee also discussed Board Members training and in particular the next Governance training. Board Members were requested to contact the Governance Services Manager, if they had any suggestions for Governance Training.

The Board received an update report on this year's stakeholder conference, The Big Chat 2: Back to the Future, which will be taking place on 1 November 2012 from 9.30 am – 1.00 pm at the Quad.

12/144 Complaints Procedure Review

The Board received a report showing the findings of the Tenant Panel's review of Derby Homes Complaints Procedure and recommendations to enhance the service.

Iain MacDonald was concerned that if the Board was not involved in the appeal process, tenants could take their complaint direct to Derby City Council or the Ombudsman without Derby Homes Senior Officers and Board Members having knowledge of the complaint. The Director of Housing and Customer Service assured him that this would not happen as senior officers are involved at Stage 2. She explained the Localism Act has required changes to the complaints procedure. Training will be provided for members of the Tenant Panel to carry out Stage 3 Appeals and they will be supported by Senior Officers. City Board receives details of all complaints, internal and external, within quarterly feedback reports.

Alison Martin asked if the Tenant Panel will have sufficient training to deal with vexatious complaints. The Director replied that the Vexatious Complaints procedure will be revisited as the Tenant Panel could be exempted from dealing with these types of appeals.

In addition, the Council had already agreed in principle to allow Derby Homes to operate outside of the City boundary. The Council Cabinet will be formally considering the changes at their meeting on 7 November 2012.

The Board was asked to consider a final amendment to the M&As affecting casual Board vacancies and a recommendation from the Governance Services Committee to reverse the Board's previous decision, and to elect the Chair of the Board at the first meeting following the AGM rather than the first meeting of the calendar year.

Agreed

The Board
