Dear Resident

CONSULTATION ON PARKING ISSUES AT DONINGTON CLOSE

Some of you are already aware that a report was presented at the last Derby Homes Board meeting on Thursday 31 October 2002. The report (copy enclosed) was in response to a petition that was received at the local office in July 2002. The decision of the board was to defer the report pending further consultation with residents.

It is my understanding that some of you may not be fully aware of the long-term implications of the proposals that are being put forward. To make the situation crystal clear, I intend to carryout a two-stage consultation exercise.

Initially, I'd like to come with Councillor Ruth Skelton, Mick Watts Access Officer, and possibly someone from the Fire Service to meet with all of you to discuss the proposed options in detail. The purpose of the meeting would be to make sure everyone living in Donington Close fully understands the knock on effects of their chosen options. The meeting would be held on **Friday 15 November 2002 at Donington Close common room at 9.30am.**

The second stage of the consultation would take place during the week commencing 18 November 2002 whereby all residents would be contacted individually and given the opportunity to fill in and sign their preferred options. I do hope by engaging in this way we can make sure that residents are involved, and help the Board reach an informed decision.

I look forward to seeing you on the day.

Yours sincerely

Farooq Malik
