

**ALVASTON AND BOULTON PANEL – RESCHEDULING OF
REPAIRS PRIOR TO PAINTING PROGRAMME**

Report of the Local Manager on behalf of Allenton and Boulton Community Panel

SUMMARY OF REPORT

1. Allenton and Boulton Community Panel has requested that the Local Board is made aware of their concerns for the Repairs Prior to Painting Programme scheduled for 2003/4 in the area. The programme has now been delayed without consultation. The Panel is unhappy with the lack of information provided about the reason for this. The Panel has the support of local Ward Members.

RECOMMENDATION

2. That a member of the Senior Management Team attend the September meeting, of the Community Panel to address these issues.

MATTER FOR CONSIDERATION

3. The Panel extended an invitation to Senior Managers from the Maintenance Team to attend the June Community Panel meeting to provide updated information about the scheduling of planned maintenance work in the area. The Panel was aware that the programme and budget had been revaluated and required further information. The Panel was unhappy that no senior officer attended the June or July panels to offer an explanation.

CONSULTATION IMPLICATIONS

4. The Panel feels that it has not been consulted about the programme changes.

FINANCIAL IMPLICATIONS

5. None.

LEGAL IMPLICATIONS

6. None.

PERSONNEL IMPLICATIONS

7. None.

ENVIRONMENTAL IMPLICATIONS

8. That the Allenton and Boulton area will suffer as a result of the programme changes.

EQUALITIES IMPLICATIONS

9. None.
