

# **OPERATIONAL BOARD REPORT** 10 MARCH 2021

# A REVIEW OF THE VOIDS LETTABLE STANDARD

Report of the Head of Repairs

### 1. SUMMARY

- 1.1 The standard is reviewed every 3 years to ensure it is both up to date and fit for purpose.
- 1.2 The review has been co-produced with the Customer Voice Panel with further customer feedback through an online survey.

#### 2. RECOMMENDATION

2.1 To approve the changes in Appendix B to meet the changes in standards and demands.

### 3. **REASON(S) FOR RECOMMENDATION**

3.1 The changes in the lettable standard are essential to ensure Derby Homes delivers a standard which will meet the growing demands of a diverse range of tenants. Staff and customers have worked together in finding improvements to the lettable standard. A summary of these views can be seen in Appendix A

### MATTER FOR CONSIDERATION 4.

- 4.1 Several improvements to the lettable standard have been made and can be seen in the attached document. A number of these changes have already been implemented prior to the review and the new standard has been updated to include these.
- 4.2 A key requirement of our customers and staff has been to ensure the standard is clear, easy to understand and easy to read.
- 4.3 There are clarifications on pre cleaning to properties and cleaning on completion of works.
- 4.4 Customers were very keen for fixture and fittings such as floor coverings and curtains to be left in the property if in good condition.

Version: 14.0 Title: FO-Board Report Modified: March 1, 2022

- 4.5 Both customers and officers believed that although target times are important the quality of the works carried out to the property must be maintained or improved. To achieve this:
  - When void works are finished these should be signed for by tradesmen to confirm the property meets the lettable standard.
  - Supervisors will carry out at least 10% checks on completed properties.
  - Customer Voice panel members will be trained and assisted so they can carry out their own void audits on ready to let properties.

## 5. OTHER OPTIONS CONSIDERED

5.1 None applicable.

## 6. CONSULTATION

6.1 The Voids Team have consulted with Housing Management colleagues, members of the Customer Voice Panel and 121 tenants through a SNAP survey.

The areas listed below have no implications directly arising from this report:

Financial and Business Plan Legal and Confidentiality Council Personnel Environmental Equalities Impact Assessment Health & Safety Risk Policy Review
