### Comments from Area Housing Manager Paula Solowij

Fly-tipping - As you can see from the graph as cases are opened by our Estate Officers they are dealt with immediately by our Estate Response Officers and the Streetpride teams.

We have also worked closely with the Neighbourhood Teams and held compactor day events that have just finished at the end of March 2019 which has helped our customers to get rid of excess rubbish that they had accumulated at no cost to themselves.

Abandoned Vehicles – The number of abandoned vehicles have decreased by more than 50 % since the last report and we are working hard with our customers to get the vehicles roadworthy and resolve these as quickly as possible. We only have one vehicle case that is over 3 months old which we are working on to resolve
