

Derby Homes - Summary of Requests for Quarter 1, 2023 (Appendix 2)

The below data is a summary of the requests sent from Derby Homes to the PPO team for investigation and feedback.

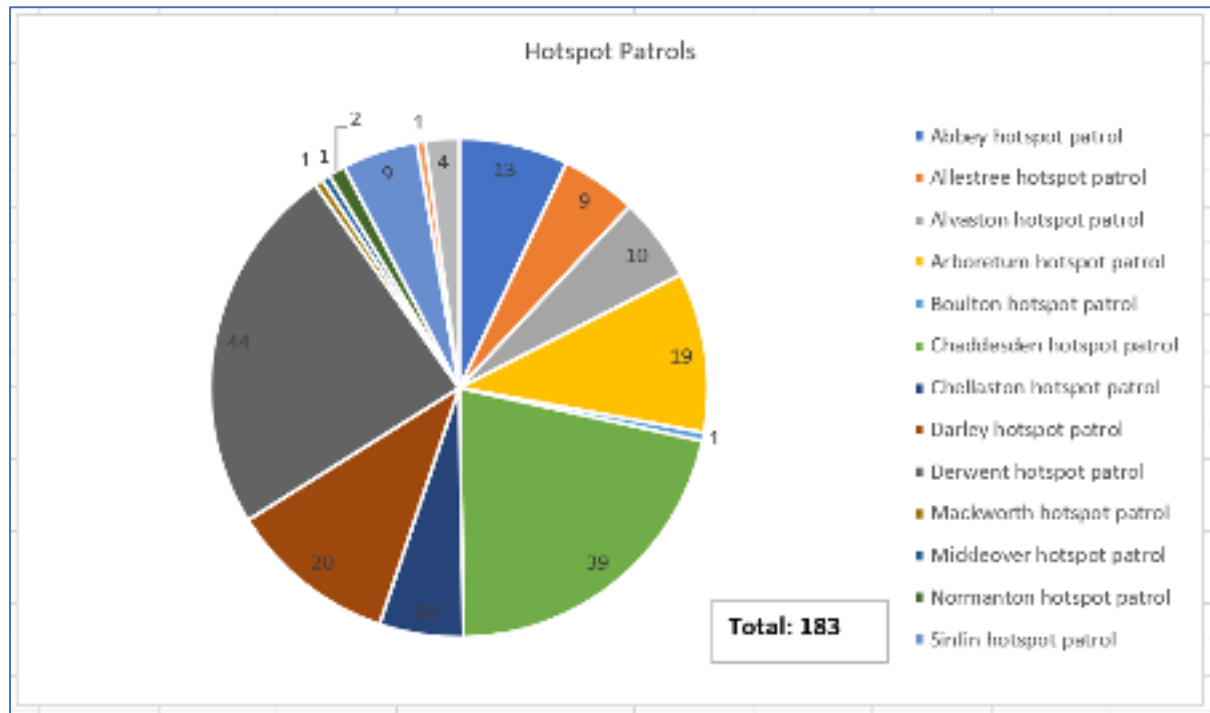

The requests are varied in nature but important to highlight what the team has achieved between the period of **01/04/23 to 30/06/23**.

The total value indicates the number of visits or reports made by each categorised response.

Derby Homes Data – ASB

A total of **183** hotspot patrols were carried out during the period of 01/04/23 - 30/06/23. The below chart identifies the number of patrols per ward. The frequency of the patrols varies depending on the localised issue, they can range from daily/weekly/fortnightly etc. The level of patrols is adapted depending upon the requests and findings on the first couple of visits.

The following streets were patrolled on multiple occasions by the PPO team between 01/04/23 – 30/06/23, with the relevant information and intelligence relayed back.

A total of **9** separate locations / **11** reported issues

Ward	Address	Reported Categorised ASB
City Centre	Crompton Street	multiple ASB
Darley	Shaws Green	drug dealing drug use
	St Annes Close	abusive behaviour
	Shaw Street	multiple ASB
Derwent	Radnor Street	vandalism
	Pemroke St	nuisance
Mackworth	Southwark Close	multiple ASB parking
Mickleover	Vicarage Road	drug use
Spondon	Rovings Drive	neighbour dispute

*Multiple ASB – This covers multiple ASB issues which occur in the same location/address. This category can involve various incidents such as loitering, drug use, and youth gathering.

Fines Issued

The below table lists how many fines have been issued during this period with the location they were issued at.

Notice Issued:	Reason:	Address/Location	Total
FPN	Littering	Portchester	1
		Grand Total	1
